Attached are my edits. I'm thinking we may just want to categorize them instead of list by date, though listing by date would be easiest. I'm just afraid people may miss info and get the wrong message? Idk, we can discuss more later.

Yes, but so much has changed, even on a daily basis. Please run any draft by everyone again before posting anything on the web.

See attached – Can you look at this for potential subset of Q&A's to post right away?

Subject: RE: Request Legal review - Q&As edits

Hi –

Here is an updated list of our media responses – March 2 – May 11 (including today's response to Curbed SF).

I think the version in Onedrive isn't complete, so please save this version there instead.

Would you like me to print copies for this morning's 9:30 mtg? how many?

Thanks,
mh
